**INSTRUCTIONS FOR COMPLETING THE U.S. VIRGIN ISLANDS GUARD BAND ELECTION FORM**

U.S. Virgin Islands (USVI) licensees located in the Guard Band (816.5-817/861.5-862 MHz) that want to relocate from the Guard Band to the Interleaved Band or Expansion Band should complete and return this form to the 800 MHz Transition Administrator, LLC (TA) as soon as possible. A specific deadline may be established once the effective date of an FCC Report and Order adopting the final band plan for the USVI and defining a formal timeline.<sup>1</sup> Licensees that do not return this form to the TA will remain in the Guard Band.

1. Licensee Name: Please provide the name of your organization. This should be the licensee of record with the FCC and the organization that will enter into contracts with Sprint Nextel. Please explain in the Comments field if this organization is not the licensee of the call signs included in this request or if the request involved multiple licensee entities, etc.
2. Call Signs: Please list all 800 MHz call signs to be included in the Guard Band election.
3. Locations and Frequencies: For each call sign licensed with frequencies in the 816.5-817/861.5-817 MHz band, please list by location numbers from your FCC license all current frequencies operating in the 816.5-817/861.5-862 MHz band that are included in the Guard Band election. If your request covers all locations and all frequencies operating in the 816.5-817/861.5-862 MHz band, please enter "ALL." If it is all locations and just certain frequencies in the 816.5-817/861.5-862 MHz band enter "All locations" and list the frequencies individually.
4. Comments: Please provide any related comments. Note that this step is optional.
5. Contact Information: Please provide complete contact information for the main point of contact for your organization. Please ensure that this contact information matches information provided in your Point of Contact Form if you have submitted one to the TA.
6. Return the completed Form to the TA:
